Georges Mills, NH

Camp Inter-Actions is set on a 150 acre site with secluded shorefront on beautiful Baptist Pond. Trails lead to cabins nestled within the tall pines.

Camp Inter-Actions is an ideal setting for a traditional summer camp experience.

"Camp was so much fun! I felt I could really relate to the others here who are also visually impaired. I made a lot of new friends. I look forward to coming back next year!"

Camper, age 12

Through challenging and rewarding experiences the campers will make new friends, learn new skills, gain self-confidence and develop independence.

All program activities are designed in a safe and fun environment for children who are visually impaired.

Activities include:

Adapted Sports

&
Daily Living Skills

All are incorporated into fun-filled days!

Staff

An experienced staff trained in education, orientation and mobility, waterfront lifeguards and a nurse will be present throughout the camping experience.

A Counselor in Training program includes former campers, providing a role model for the younger children.

"Thank you for giving me the opportunity to be a counselor at Inter-Actions' Camp. The camp has allowed me to express my creativity, develop strong leadership skills and meet so many new people..."
